

A watercolor illustration of several watermelon slices. One slice is in the top left, another in the middle right, and a larger one in the bottom left. The slices are pink with black seeds and green rinds. A large, semi-transparent pink circle with a white border is centered over the image, containing the text.

Beta Lambda Chapter | Cal Poly San Luis Obispo
Quarterly Newsletter | Spring 2017

Alpha Epsilon Phi

Congrats, Class of 2017!

We had seven lovely sisters graduate this spring!
We're so proud of everything they've done for the chapter and can't wait to see what they'll do next!
We'll miss you!

L-R:
Sam Dorenfeld, Political Science
Lior Shimoni, Psychology
Lee Kreimer, Psychology
Jesse Stone, Biology
Danielle Jacobson, Animal Science
Leah Botelho, Environmental Protection
Brooke Begun, Business Administration

Welcome Mu Class!

This quarter, we welcomed two new members into our sisterhood! They had a great time during their new member education process and learned lots about AEPhi traditions and history. We are so excited to welcome them into this wonderful organization and cannot wait to see them grow and do some fantastic things during their time in AEPhi!

Mu Class with bigs, Erin and Hannah

Sisterhood and Social Life

Sisterhood Camping Trip

We had our annual sisterhood camping trip event up in San Simeon to close out the quarter. We played games, ate s'mores, and strengthened the bond of our sisterhood and what it means to be a sister in AEPhi. Plus a successful big/little reveal to close out in the morning. It's always a spring quarter highlight!

Spring Formal

On May 19th, AEPhi held its annual formal of the year! The event was held at the beautiful Spyglass Inn in Pismo and was classy as ever. Everyone had a blast dressing up and dancing while taking in the gorgeous sunset and ocean views! Shoutout to the Formal team for putting on an awesome night!

Alumni Weekend

We welcomed our alumni back for a great weekend filled with wine tasting, brunch in the park, and a sushi night with karaoke! It was so much catching up with them and hearing about life since their days at Cal Poly.

Other Sisterhood Events This Quarter

We also enjoyed smaller sisterhood events throughout the quarter like having a spa night and watching movies and decorating kiddush cups for Passover.

Alpha Epsilon Phi

Philanthropy and other

Philanthropy plays a huge role in our sisterhood. Here are some of the ways our chapter was able to give back this quarter!

Greek Week

We had a blast battling it out all week as part of the James Bond Team in Battle of the Classics!

Shabbat 300

On April 12th, the entire Jewish community of Cal Poly and San Luis Obispo gathered together for a mega Shabbat dinner. It was a blast getting together with everyone to celebrate the evening.

AEPhi Convention

Two of our sisters Emily and Scheer had the opportunity to attend the biennial AEPhi convention, held in Norfolk, VA this year. We were recognized for our continuing rank as #1 GPA on Campus as well as exceeding the all-sorority GPA!

Academics

Academic excellence is also a top priority and we place great emphasis on academic success!

For Winter Quarter, AEPhi's chapter average GPA was 3.2, the highest in all of Greek Life.

Huge congrats to all of our sisters for continuing to work hard and accomplishing great things!

Happy Birthday Beta Lambda!

On May 25th, we celebrated our third year as the Beta Lambda chapter at Cal Poly. As we look to a bright future for our chapter, we must always remember our founding sisters and their hard work to carve the path for the present and the future of the Beta Lambda sisterhood.

Can't wait for...

- Relaxing and travelling this summer
- Seeing everyone in the fall
- Studying abroad
- Welcoming more sisters into AEPhi
- Pink Week and Pink Shabbat (Nov 27-Dec 1)
- Sisterhood, dinners, and more!
